

FAVOURITE SON CABERNET SAUVIGNON 2021

PARKER
ESTATE

The label 'Favourite Son' acknowledges that when it comes to wine, like children; one can never choose a favourite. A bright and characterful addition to the Parker Estate family.

Background

'Favourite Son' Cabernet Sauvignon is what we all aspire to be – tasteful and respectable!

Taken from the pristine soils of the Limestone Coast, this Cabernet Sauvignon shows the trademark bright fruit and generous flavours associated with the region.

The cool air flow and long sunshine hours in this area provide extended ripening and hence complexity. Cabernet is well suited to this climate, developing intense black fruit aromas whilst maintaining lovely natural acidity and a sturdy tannin structure.
